

KEYNOTE:

RESETTING PRODUCTIVITY PATTERNS: 3 SIMPLE PRACTICES TO GUIDE PROFESSIONAL WOMEN IN THEIR PURSUIT OF EXCELLENCE

***explore, engage, and elevate
your business***

Julie helps business owners control their business by teaching them to:

- Explore and leverage their circle of influence
- Stop wishing and start ACTING to take their business to a new level
- Be a productivity powerhouse
- Create a realistic plan to perpetuate growth and elevate their business

About Julie

Bottom line-- Julie is a teacher. A driven entrepreneur serving others by helping them reach their own levels of excellence, Julie works with business owners and leaders to reset their productivity patterns, become more efficient, and bust through road blocks to reach their goals. She has led and developed highly successful teams, helped hundreds escalate their own businesses and achieve goals they may never have thought possible. Her super power of out-of-the-box thinking uncovers new ways to solve business stagnation, resulting in growth and propelling her clients into new and exciting directions.

Julie has created the perfect storm to bring fresh perspective to your business; she's ready to rock—are you?
